KEY CREDENTIALS

- Competence Assessor (2025)
- PDO Approved HSE Advisor
- CPC Approved Lead HSE Engineer
- NEBOSH IGC
- OPITO Approved H2S
- Authorised Gas Tester (AGT)

TRAINING DELIVERED

- HSE Induction
- Confined Space Entry
- Hot Work
- Lockout / Tagout (LOTO)
- Chemical Handling
- Safety Leadership for Supervisors
- Emergency Drills
- Operations HSE Workshops
- On-the-Job Coaching

COMPETENCE ASSESSMENT

- Competency-based assessment
- Post-training competence verification
- Practical skills evaluation
- High-risk task evaluation: confined space, hot work, working at height, critical lifting

LANGUAGES

- **English** – Fluent
- **Tamil** – Native
- **Malayalam** – Fluent
- **Hindi** – Fluent
- **Russian** – Intermediate
- **Arabic** – Conversational

PROFILE

HSE professional with over 25 years in oil and gas, gas processing, hydrocarbon terminals, petrochemical and energy projects across Oman, Kazakhstan, the UAE, Qatar, Turkmenistan and India. Training has been part of every HSE role: safety inductions, hands-on high-risk activity training, safety leadership training for supervisors, emergency drills, on-the-job coaching and post-training competence assessment through practical observation.

25+	200+	5,000+	20M	0.0
Years in HSE	Supervisors trained in safety leadership	Workforce covered by training matrix	Man-hours without LTI (EMAL)	TRIR at OTTCO Duqm terminals

CAREER TIMELINE

2000–10 — **India · Qatar** — Safety Officer to Asst. HSE Manager

2010–13 — **UAE · Oman** — GASCO · EMAL · PDO

2013–16 — **Kazakhstan · UAE** — CPC · TAKREER · ORPIC

2016–17 — **UAE** — EGA Al Taweelah

2017–23 — **Kazakhstan** — Tengizchevroil FGP

2023–Now — **Oman · Turkmenistan** — OTTCO · Galkynysh

PROFESSIONAL EXPERIENCE

Technical Assessor – HSE — Dec 2024 – Present

Petrofac International Limited | Turkmenistan

Galkynysh Gas Field O&M Project – Central Processing Facilities 1 & 1A

- **Training:** full training lifecycle – needs analysis, curriculum design, delivery and post-training competence assessment; safety workshops and on-the-job coaching.
- Verify personnel competency through practical observation; assess operational readiness for O&M activities.
- Evaluate high-risk tasks (confined space, hot work, working at height, critical lifting) in field HSE audits.
- Technical guidance on HAZOP, HAZID, JSA and Bow-Tie; ICAM investigations; ISO 45001/14001 compliance; contractor HSE review.

HSSE Supervisor (HSSE Lead) — Oct 2023 – Oct 2024

OTTCO – Oman Tank Terminal Company | Duqm, Oman

Al Duqm Port liquid bulk terminal and Ras Markaz Crude Oil Terminal (offshore SPM)

- **Training:** developed and delivered training and competence programmes for terminal operations; quarterly full-scale emergency drills.
- Zero recordable injuries (TRIR 0.0) and 100% regulatory compliance across both terminals.
- Implemented PSM framework (PSSR, MOC); HSSE oversight of SPM marine operations and oil-spill response arrangements.
- Behaviour-based safety programme raised engagement scores by 40%.

Project HSE Manager — Mar 2017 – Jan 2023

Kazstroy Services Group (KSS) | Kazakhstan

Tengizchevroil (Chevron) Future Growth Projects ($2B+) – 3 concurrent projects, 50+ HSE staff, 5,000+ workforce

- **Training:** HSE training matrix and competency framework for 5,000+ workforce; specialised training for confined space, LOTO, hot work and critical lifting.
- 8 million man-hours without LTI, TRIR 0.12; embedded Chevron OEMS framework.
- Led HAZOP/LOPA and PSSR for 20+ critical process units; 98% corrective-action closure.
- Chaired IIF Leadership Team – 95% participation in behavioural safety observations.

CORE EXPERTISE

- Training Needs Analysis
- Training Material Development
- Permit to Work
- Risk Assessment, JSA, HAZID
- HAZOP, LOPA, Bow-Tie
- Process Safety (PSSR, MOC)
- Incident Investigation (ICAM, RCA)
- Emergency Response
- Behaviour-Based Safety
- Contractor HSE Management
- HSE Auditing
- ISO 45001 / ISO 14001
- HSE KPI Dashboards

EDUCATION

- Diploma – Fire Engineering & Safety Management
- Diploma – Industrial Safety
- PG Diploma – HSE Engineering (in progress)

CERTIFICATIONS

- NEBOSH IGC
- OPITO Approved H2S
- Authorised Gas Tester (AGT)
- FEMA IS-100.C (ICS-100)
- OSHAS – Fire & Safety HSE Educational Council, India
- PSSR
- First Aid • Basic Life Support

COMPETENCE ASSESSOR

Elite Offshore Pvt Ltd (Ecademy), Navi Mumbai

Oil & Gas and OSHA industry guidelines • Cert. No. 2501019525001 • Issued 10 Jan 2025 • Lifetime validity

Provider accreditations & memberships: IADC member • RINA ISO 9001 • LISCR (Liberia) approved

TECHNICAL TRAINING

HAZOP • Hazard Assessment & Risk Management • POV • Permit to Work • Confined Space Entry • Work at Height • Electrical Safety & LOTO • H2S & SCBA • Industrial Fire Fighting • Incident Investigation • Disaster Management • IIF CWS & IIFiA (JMJ) • Life Saving Behaviour • Environmental Awareness

PROFESSIONAL EXPERIENCE (CONTINUED)

Senior HSSE Advisor May 2016 – Feb 2017

Petrofac International | UAE

$3.3B Al Taweelah Alumina Refinery – Bechtel-Petrofac JV for Emirates Global Aluminium

- **Training:** designed and led safety leadership training for 200+ supervisors; developed competency assessment frameworks.
- Integrated HSE management plan for 10,000+ peak workforce; HAZOP workshops, LOPA studies and digital KPI dashboards.
- 2+ million man-hours, TRIR below 0.3, zero serious injuries and fatalities.

HSE Manager Jun 2015 – Jan 2016

MKG Group | Abu Dhabi, UAE

Samsung-TAKREER Carbon Black & Delayed Coker | ORPIC Hazardous Waste Facility | 70 TPD Chlor Alkali Plant

- **Training:** hands-on training on confined space, hot work, LOTO and chemical safety.
- Managed HSE and training across three projects (2,000+ workforce) with zero serious injuries and fatalities.

Lead HSE Engineer (CPC Approved) Sep 2013 – Mar 2015

Kazstroy Services Group | Kazakhstan

CPC Pump Station Expansion – crude oil pipeline from Tengiz Field

- **Training:** designed and implemented the project training and competency framework.
- 5 million man-hours without LTI; Certificate of Excellence from CPC-JSC.
- Cross-border HSE harmonisation between Russian and Kazakhstan requirements.

Senior HSE Advisor (PDO Approved) Mar 2012 – Aug 2013

Galfar Engineering & Construction | Oman

PDO: Nimr-G & Karim West Water Flood | Qarn Alam Power Plant Phase-3

- **Training:** mentorship and on-the-job coaching of field teams.
- 8 million man-hours without LTI; TRIR 0.15; PDO HSE Excellence Award; HSE audits with corrective-action follow-up.

HSE Officer May 2010 – Feb 2012

Target Engineering Construction Company | UAE

GASCO Ruwais 4th NGL Train | EMAL Smelter Complex

- **Training:** safety inductions and training for new hires and subcontractors.
- 20 million (EMAL) and 10 million (4th NGL Train) man-hours without LTI.

EARLIER CAREER 2000 – 2010

- Safety Officer – Al Mukhtar Contracting, Qatar 2009–10
- Assistant HSE Manager – Berger Paints, India 2008–09
- Safety Officer – Madras Engineering Company, India 2006–08
- Senior Safety Supervisor – Aromas Solvent Extraction Plant, India 2000–05
