PROFESSIONAL PROFILE

Senior HSE professional with over 25 years of experience in oil and gas, gas processing, hydrocarbon terminals, petrochemical and energy projects. Combines hands-on technical HSE expertise in process safety, permit to work, high-risk activity control and incident investigation with consistent training delivery: safety inductions, critical-task training, safety leadership training for 200+ supervisors, emergency drills, on-the-job coaching and practical, competency-based assessment of personnel.

Certified Competence Assessor · PDO Approved HSE Advisor · CPC Approved Lead HSE Engineer · NEBOSH IGC · OPITO Approved H_2S · Authorised Gas Tester (AGT)

CORE HSE TRAINING & ASSESSMENT COMPETENCIES

HSSE & Environmental Management

- HSE Induction — DELIVERED
- Environmental Awareness
- NORM Management
- Life Saving Rules (LSR)
- Short Service Employee (SSE) Safety

Process Safety & Risk Management

- H_2S / SO_2 Awareness and Escape
- Permit to Work
- Authorised Gas Testing
- Lockout / Tagout (LOTO) — DELIVERED
- Electrical Safety
- Risk Assessment
- JSA / JHA
- HAZID / HAZOP Awareness
- SIMOPS

High-Risk Activities & Critical Controls

- Confined Space Entry — DELIVERED, ASSESSED
- Confined Space Rescue
- SCBA
- Working at Height — ASSESSED
- Lifting and Rigging Safety — ASSESSED
- Scaffolding Safety
- Chemical Handling — DELIVERED
- Defensive Driving

Emergency Response & Occupational Health

- Fire Fighting
- Fire Warden
- First Aid
- Emergency Drills — DELIVERED
- Heat Stress Management
- Fatigue Risk Management
- Radiation Safety
- PPE

Safety Leadership & Incident Investigation

- Safety Leadership for Frontline Supervisors — DELIVERED
- Safety Leadership for Managers
- Incident Investigation
- Root Cause Analysis
- Behaviour-Based Safety

Training, Competency Assessment & Assurance

- Training Needs Analysis — DELIVERED
- Training Material Development — DELIVERED
- Training Delivery — DELIVERED
- Competency-Based Assessment — ASSESSED
- Practical Skills Evaluation — ASSESSED
- Training Effectiveness Evaluation
- Training Records
- Competency Gap Analysis

DELIVERED training delivered in a documented role **ASSESSED** competence assessed in a documented role untagged = core competency area

PROFESSIONAL EXPERIENCE

Technical Assessor – HSE
Dec 2024 – Present

Petrofac International Limited · Turkmenistan

Galkynysh Gas Field O&M Project (onshore gas processing) – Central Processing Facilities 1 & 1A

> **TRAINING** Lead the full training lifecycle – needs analysis, curriculum design, delivery and post-training competence assessment; design safety training workshops and provide on-the-job coaching.

- Assess operational readiness and verify personnel competency through practical observation and assessment.
- Evaluate critical high-risk tasks: confined space entry, hot work, working at height and critical lifting.
- Conduct technical safety assessments and field HSE audits; verify compliance with ISO 45001 and ISO 14001.
- Provide technical guidance on HAZOP, HAZID, JSA and Bow-Tie risk assessments for maintenance activities.
- Review contractor HSE management systems, procedures and work packages.
- Support incident investigations using ICAM; track corrective actions and HSE KPIs on digital dashboards.

HSSE Supervisor (HSSE Lead)
Oct 2023 – Oct 2024

OTTCO – Oman Tank Terminal Company · Duqm, Oman

Al Duqm Port liquid bulk terminal (Naphtha, Jet A-1, Diesel, HSFO, LPG, Sulphur, Pet Coke) and Ras Markaz Crude Oil Terminal (offshore SPM)

> **TRAINING** Developed and delivered training and competence programmes for terminal operations personnel; conducted quarterly full-scale emergency drills.

- Directed HSSE strategy across both terminals: zero recordable injuries (TRIR 0.0) and 100% regulatory compliance.
- Implemented a Process Safety Management framework, including PSSR and Management of Change (MOC).
- Provided HSSE oversight of offshore SPM operations: permit to work for SPM and hose maintenance, marine contractor control, tanker mooring checks, ship/shore safety checks and oil-spill response arrangements.
- Deployed a behaviour-based safety programme that raised engagement scores by 40%; reduced carbon footprint by 15% through operational optimisation.

Project HSE Manager
Mar 2017 – Jan 2023

Kazstroy Services Group (KSS) · Kazakhstan

Tengizchevroil (Chevron) Future Growth Projects ($2B+): FGP-WPMP Multi-Well Pads · 3GI Plant · 3GP ME&I Installation

> **TRAINING** Designed the HSE training matrix and competency framework for a 5,000+ workforce; developed specialised training for confined space, LOTO, hot work and critical lifting.

- Directed HSE operations and training for three concurrent projects, managing 50+ HSE professionals.
- Delivered 8 million man-hours without LTI (5.5M + 1.5M + 1M) with TRIR 0.12; embedded the Chevron OEMS framework.
- Led HAZOP studies and LOPA workshops and executed PSSR for 20+ critical process units.
- Chaired the IIF Leadership Team (95% participation in behavioural safety observations); coordinated CHESM activities.
- Investigated incidents using RCA, achieving a 98% corrective-action closure rate.

Senior HSSE Advisor
May 2016 – Feb 2017

Petrofac International · UAE

$3.3B Al Taweelah Alumina Refinery – Bechtel-Petrofac JV for Emirates Global Aluminium (EGA)

> **TRAINING** Designed and led safety leadership training for 200+ supervisors; developed competency assessment frameworks and conducted technical evaluations.

- Developed the integrated HSE management plan for a 10,000+ peak workforce; led HAZOP workshops and LOPA studies.
- Established digital HSE dashboards with real-time KPI tracking.
- Achieved 2+ million man-hours with TRIR below 0.3 and zero serious injuries and fatalities.

HSE Manager
Jun 2015 – Jan 2016

MKG Group · Abu Dhabi, UAE

Carbon Black & Delayed Coker (Samsung-TAKREER) · Hazardous Waste Facility (ORPIC, Oman) · 70 TPD Chlor Alkali Plant (Fata SpA)

> **TRAINING** Delivered hands-on training in confined space, hot work, LOTO and chemical safety for high-risk activities.

- Managed HSE and training across three concurrent projects (2,000+ workforce) with zero serious injuries and fatalities.
- Developed project safety plans for high-risk activities.

Lead HSE Engineer (CPC Approved)
Sep 2013 – Mar 2015

Kazstroy Services Group · Kazakhstan

CPC Pump Station Expansion – crude oil pipeline from Tengiz Field to international markets

> **TRAINING** Designed and implemented the project training and competency framework.

- Achieved 5 million man-hours without LTI; awarded a Certificate of Excellence by CPC-JSC.

- Obtained CPC Lead HSE Engineer approval; harmonised HSE requirements across Russian and Kazakhstan regulations.

Senior HSE Advisor (PDO Approved)
Mar 2012 – Aug 2013

Galfar Engineering & Construction · Oman

PDO projects: Nimr-G & Karim West Water Flood · Qarn Alam Power Plant Phase-3

TRAINING Provided mentorship and on-the-job coaching to field teams.

- Achieved 8 million man-hours without LTI and TRIR 0.15; PDO HSE Excellence Award.
- Conducted HSE audits and ensured prompt corrective action.

HSE Officer
May 2010 – Feb 2012

Target Engineering Construction Company · UAE

GASCO Ruwais 4th NGL Train (Petrofac) · EMAL Smelter Complex (SNC-Lavalin / WorleyParsons)

TRAINING Led safety inductions and training for new hires and subcontractors.

- Projects achieved 20 million (EMAL) and 10 million (4th NGL Train) man-hours without LTI.

Earlier Career (2000 – 2010)

Safety Officer – Al Mukhtar Contracting, Qatar
Aug 2009 – Mar 2010

Assistant HSE Manager – Berger Paints, India
Oct 2008 – Jul 2009

Safety Officer – Madras Engineering Company, India
Jan 2006 – Sep 2008

Senior Safety Supervisor – Aromas Solvent Extraction Plant, India
Aug 2000 – Dec 2005

SAFETY MILESTONES – MAN-HOURS WITHOUT LTI

EMAL Smelter Complex, UAE	GASCO Ruwais 4th NGL Train	PDO Nimr-G & Karim West	Tengizchevroil FGP · TRIR 0.12	CPC Pump Station Expansion

PDO · TENGIZCHEVROIL · CPC · GASCO · EMAL · EGA · ORPIC · TAKREER · OTTCO · PETROFAC

EDUCATION, APPROVALS & CERTIFICATIONS

Competence Assessor – Elite Offshore Pvt Ltd (Ecademy), Navi Mumbai

Conducted in accordance with Oil & Gas and OSHA industry guidelines · Certificate No. 2501019525001 · Issued 10 Jan 2025 · Lifetime validity

Provider accreditations & memberships: IADC member · RINA certified management system (ISO 9001) · LISCR (Liberia) approved

EDUCATION

- Diploma in Fire Engineering & Safety Management
- Diploma in Industrial Safety
- PG Diploma in HSE Engineering (in progress)

PROFESSIONAL APPROVALS

- PDO Approved HSE Advisor
- CPC Approved Lead HSE Engineer

CERTIFICATIONS

- NEBOSH International General Certificate (IGC)
- OPITO Approved H_2S
- Authorised Gas Tester (AGT)
- FEMA IS-100.C – Introduction to Incident Command System (ICS-100)
- OSHAS – Fire & Safety HSE Educational Council, India
- PSSR
- First Aid
- Basic Life Support (BLS)
